

Figures have been normalized relative to the first day of instruction for spring term. The date for administrative withdrawal due to non-fee payment has passed at each university; students will continue to enroll in short and late start classes through the end of the term.

To-date, spring 2024 course registration activity surpasses that observed for spring 2023. Estimates indicate 86 percent of all students who will enroll by the end of spring 2024 have already registered in 9.6 percent of student credit hours (SCH).

About 21,300 students are anticipated to enroll by the close of spring 2024, a projected increase of about 4.7 percent (950 students) over spring 2023. Likewise, student credit hour registration is anticipated to increase by about 6 percent (8,900 SCH) over last year, reaching 163,600 SCH by the end of term.
