---

Talent Acquisition has begun the process to review and adjust the student classification and compensation tables. This will allow the university to have more flexibility in being able to adjust for changes to minimum wage and review how many student classifications are needed.

*Update as of 9/24/2020:* The work team has scoped the project and is currently determining the correct number of student grades. Additionally they are determining what a competitive wage for students would look like and how to benchmark it.

Talent Acquisition in conjunction with Operations, Transitions and Benefits, and Customer Service, is reviewing Temporary Employees process, policy and regulations. This will allow the University to be in better compliance with both ACA and The State of Alaska#

---

HR will be providing performance management training within the next several months. Announcements with the training schedule will be available in the campus newsletters and on [www.alaska.edu/hr](http://www.alaska.edu/hr). If you have questions, contact [ua-hr@alaska.edu](mailto:ua-hr@alaska.edu), 907-450-8200.
