 State Funds
 FY00-FY07 compared to FY08

FY08 Capital Requests Project Narratives

FY08 BOR Priority Capital Needs

Maintaining Existing Facilities and Equipment R&R Annual Requirement

(GF: \$8,000.0, Total: \$8,000.0)

UAF Bethel Campus Facility Roof, Heating and Structural Renewal

(GF: \$4,000.0, Total: \$4,000.0)

Funding will allow for major renovations and code upgrades for the vocational lab facility including necessary roof repairs, structural upgrades, heating system improvements and exterior rehabilitation. The request also provides for the build-out within the existing structure of a classroom and lab to accommodate the allied health and nursing programs.

UAA Campus Roof Replacement

(GF: \$3,500.0, Total: \$3,500.0)

UAA will systematically address roofing replacement by re-roofing 5 percent of the buildings
the ma

Small Business Development Center
(GF: \$550.0, Total: \$550.0)

UAA Small Business Development Center
(GF: \$550.0, Total: \$550.0)

The Alaska Small Business Development Center (ASBDC) is a statewide business assistance program. The services it offers to small businesses are not duplicated or provided by any other agency or organization. The primary emphasis of the program is in-depth, quality business counseling. Through professional counseling, small businesses are assisted in solving problems concerning operations, manufacturing, engineering technology exchange, accounting, business strategy development and other productivity and management improvement. The individual business counseling is supplemented with quality business training designed to improve the skills and knowledge of existing and prospective small business owners/managers. This is the base operating funding for SBDC operations. Due to historical circumstances, this funding is accommodated annually through the capital budget.

Planning and Design for New Facilities
(GF: \$1,000.0, Total: \$1,000.0)

UAA Sports Arena Planning
(GF: \$1,000.0, Total: \$1,000.0)

The UAA Sports Arena is a new facility designed to address the sports and recreation needs of UAA's growing student population and the needs of the surrounding Anchorage community consistent with the Anchorage 2020 plan. The project is envisioned as a 7500 seat ice and flexible athletic and public event venue with outdoor game fields and associated parking. The arena facility will house intercollegiate athletic programs, including team meeting rooms, practice and training areas, coaching and administrative offices, and building support spaces. This request is to fund further planning of the Sports Arena project.

Land, Property and Facilities Acquisition
(GF: \$2,500.0, Total: \$2,500.0)

UAA Homer Building Acquisition and Renovation
(GF: \$2,500.0, Total: \$2,500.0)

The Kachemak Bay Campus of the Kenai Peninsula College is currently split between the main campus facility (East Campus) and school district lease space approximately 1.5 miles away (West Campus). Co-location of the Kachemak Bay programs has long been a program desire of the campus. The logical place for expansion is next door to the existing campus building.
